

Contact your insurance company today to see if you are eligible for coverage.

## Multiple HCPCS CODES

- ✓ E0110 - Forearm Crutch
- ✓ E-0153 – Platform Attachment (2 x)

Covered by **Medicare, Medicaid** and **Private Insurance**

Call your insurance company to confirm the coverage amount and process:

- Ask for the allowable amount for crutches or DME
  - New or Certified Refurbished
- Tell the representative the billing codes:
  - E0110 Forearm Crutches - pair
  - E0153 Platform Attachment - 2x, one for each crutch
- Ask for an **in-network** DME provider.

### Product Description

Designed to enhance life on crutches, the M+D Crutch is the only crutch alternative featuring full ELBOW SUPPORT to evenly distribute weight throughout the forearm and elbow to relieve pressure to hands, wrists and armpits.
